

Happy Anniversary Fateful Encounters!

The first anniversary of FFI is really amazing at how much more professional throughout the year and amazing that when the server first started it was unable to do the basic things that the staff and members did. I was to thank all the staff and members for their hard work and support to keep the internet bill. Long Live FFI!

Happy 6-day FFI!

I haven't been here since the beginning. I will come back to the end again and again.

So many interesting people you will be doing new projects waiting for us to join in. I will be back soon and I will be back soon. I will be back soon and I will be back soon. I will be back soon and I will be back soon.

Always go to the party to see how it's going and how we can make them better. Now we're celebrating our 6th year and we're all happy to be here. I hope to see you all in the future. And I hope to see you all in the future. And I hope to see you all in the future.
